NeuroSync TMS THERAPY
ACCESS HOLISTIC CARE Dba
NEUROSYNC TMS THERAPY
4007 Bridgeport Way W, Ste B University Place. WA 98466

Dear Client:

Thank you for choosing NeuroSync TMS Therapy to be your TMS therapy provider. When you choose our service, you become part of a vibrant and supportive team of professionals that exists for the sole purpose of preparing you for a life of joy. You will never be “just another patient” – from the moment you walk through our door until long after you have completed the treatment phase.

Unfortunately, most insurance networks require a prior authorization before you begin therapy. So, to help protect each of our patients, we ensure appropriate authorization from your insurance is obtained before you begin treatment.

We’ve designed our TMS Registration Form based on the information that will be required on your insurance’s prior authorization form. So, while we understand no one enjoys filling out these types of forms, we ask that you please be as thorough as possible. If you can’t remember specific dates, especially where previous medications are concerned, then just list an approximate date, including month and year.

Most insurances will require the following:

A diagnosis of depression (moderate to severe)

A minimum of 2-4 antidepressant trials

A history of psychotherapy (therapist, counselor, group therapy, outpatient therapy, extended visits with psychiatrist, or psychologist)

PHQ-9 (depression screening) score >= 18

We thank you for taking the time to complete our TMS Registration and look forward to helping you to achieve long-term relief from your depression.

No history of seizures

A history of psychotherapy with little or no benefit (physician, therapist, counselor, outpatient mental health visit, etc.)

No TMS Therapy contraindications

TMS Therapy Contraindications

TMS Therapy Hearing Protection Waiver

Indications for and any side effects of TMS Therapy, including an explanation of TMS Therapy for the treatment of major depression or other diagnosis that I may be receiving TMS Therapy for.

I also agree to hold NeuroSync TMS Therapy and each of its employees and physicians harmless from any liability related to any hearing problems during or after my treatment regardless of whether I elect to where or decline to wear earplugs (i.e. hard of hearing, hearing loss, or any other hearing-related program.)
